

## INDIGO STORM

Fleur McDonald

The leading lady of rural literary fiction is back with trademark romance, but with more edge and suspense than ever before. This is the thrilling story of a courageous woman's fierce determination to reclaim her life and restore her self-belief.

When Ashleigh decides to flee her controlling husband, Dominic, she knows he'll hunt her down. The only way to escape is to disappear and reinvent herself.

Changing her name to Eliza and driving by night, she is drawn to the tiny rural town of Blinman. There she begins the long road to healing, and regaining her self-confidence.

Then one day, on an excursion to a ruined homestead in the area, Eliza becomes fascinated by a family who lived there during the nineteenth century. But just as she begins to unlock the secrets of her own past, Dominic arrives in town, determined to punish her...

With its fast-moving plot and nail-biting suspense, *Indigo Storm* will keep you on tenterhooks until its very end.
